Figure Skating for boys for ICWG Lake Placid

Hello,

Please note that our system for handling the RSVP form for International Children's Games has had some problems updating our change for BOYS FIGURE SKATING. It is unable to register 2 boys if you wish to bring 2 boys, since we are allowing this number now. This was supposedly changed some time ago, but is not working.

PLEASE LET ME KNOW VIA EMAIL IF YOU WISH TO BRING 2 BOY INSTEAD OF JUST 1 FOR FIGURE SKATING AND I WILL ADJUST NUMBERS.

Thank you and we look forward to seeing you in January!

Tárgy: International Children's Winter Games information

To all participants in International Children's Winter Games 2019 in Lake Placid..

We have compiled travel information that may be useful for everyone making flight plans. It is located on our website at this link:

<https://www.lakeplacid2019.com/transportation/>

There are helpful links for immigration and customs information on that page as well.

For early arrivals prior to 6 January, 2019, there are no rooms available for Friday or Saturday nights at the athlete host hotels (Golden Arrow Resort and Hotel North Woods), due to large figure skating and hockey tournaments. If you plan to arrive for a stay prior to 6 January, you must make reservations at another hotel for your delegation and then move to the host hotel on 6 January. The organizing committee cannot make these early arrival reservations for you. Lodging options, availability and direct booking ability can be found at www.lakeplacid.com/lodging.

VIP packages to purchase for additional invited guests for your city will be sent to the Chief Liaison Officers at the end of September.

The registration system for final selection of your delegations will open on or about 1 September, 2018. All Chief Liaison Officers will receive a link with a password to access the system at that time.

We look forward to hosting your city in Lake Placid in January!

All the best,

Facebook features for ICWG Lake Placid

Greetings,

We are beginning to feature each participating city in our Facebook posts. Please like our Facebook page and share with your delegations, families and friends!

<https://www.facebook.com/icwglp/>

We also want you to know that teachers from our local schools will be reaching out to the Head of Delegation for each city sometime after late September to make a connection with your city. After that, the children of our local schools would like to communicate with your athletes to get to know them as they also study the culture and history of each city that will be attending the Games in Lake Placid. We hope you will be able to share contact information so they can communicate together. The local school students here will be planning an event during the Games to welcome and get to know the athletes they have been communicating with. We think this will be a fun and educational outreach program the athletes and our students will greatly benefit from.

A reminder - please make sure to pay the ICG fee by August 31 so that you will receive the registration link to register your delegation beginning in September.

We look forward to meeting you all in January!

Tárgy: FW: Letter to all City Representatives.

(This email is sent on behalf of Torsten Rasch, President ICG and bcc-ed to all City Representatives to avoid a long list of addressees)

Dear City Representative,

This year, the International Children's Games celebrated their 50th anniversary with a memorable games hosted by Jerusalem from the 29th of July to the 3rd of August 2018. Over 1500 Athletes from over 69 cities and 30 countries gathered in Jerusalem to compete in 9 different sports. We are delighted at how the International Children's Games has grown from the first edition that took place in Celje, Slovenia on 1968 with only 9 cities competing in a Track and Field competition to its present format. Indeed, our founder Professor Metod Klemenc must be so proud at how the games have continued to grow from strength to strength. Next Year, the City of Lake Placid, USA will be hosting the ICG Winter Games from January 6 - 11th, 2019 and the City of Ufa from Russia will be hosting the 51st edition of the International Children's Summer Games from the 9th to the 14th of July, 2019. Both editions of the games promise to be memorable sporting events that should not be missed.

Your City has previously been involved in the International Children's Games and we hope to see you at subsequent editions of the games. Therefore, we would like you to indicate, on behalf of your city, if you are still interested in being on our mailing list and receive invitations from subsequent hosts of the International Children's Games. A nil reply would also be greatly appreciated. When you reply, please indicate

Name of City / Country:

Name of Contact Person:

Designation of Contact Person:

Email of Contact Person:

In keeping with existing privacy laws, all information you provide will be kept Private and Confidential and will only be used to extend information and invitations to matters pertaining to the International Children's Games.

We would appreciate it you could reply to this email by the **29th of August, 2018** whether your City would still be interested for us to send you more information on the International Children's Games. Alternatively, you could also provide another name and email from your City who would be in the appropriate position to decide on your city's continued association with the International Children's Games. We hope to hear from you soon.

Thank you very much and we hope to see you and your city at next year's editions of the International Children's Games

Best wishes

Lake Placid ICWG Short Track Speed Skating

Dear all participating cities,

With regret, we have decided we must cancel the Short Track Speed Skating events for Lake Placid due to very low athlete numbers. We do, however, invite any delegations with short track speed skaters to register them in Long Track events if desired.

Thank you and we regret this decision, but we need to have larger numbers for good competition.

ICWG Lake Placid Registration information & deadline

Greetings,

By now you should have received the registration link to upload all information and names for your delegation for Lake Placid ICWG. Please make sure you download and read the instruction manual before you send emails asking questions about the system. The manual should answer all the questions, including subsequent log in to the system after using the initial link in the email. The email link will NOT work after the first time. Use the instruction manual from that point forward.

The deadline for registration is September 30. You can add to and edit your delegation information after that point, but we need the final names and sport selections as well as official delegation members names by September 30. This is absolutely necessary for placement in lodging and accreditation purposes.

Thank you and we look forward to meeting you and your delegation in January!

Deadlines and Other Information

Greetings to all from Lake Placid ICWG 2019,

I would like to clarify a few things about our deadline for registration since I've had some questions.

The September 30 deadline is required for names of all members of the delegation, their genders, athlete ages, roles and sports entered. We need to assign accommodations and it requires us to have all of that information. We **MUST** have at least the above information by September 30.

You can enter the registration system as many times as you wish to add information about the delegation. This will allow you to enter the above requirements by September 30 and then add the rest of the information later. The last deadline for all the remaining required information will be October 31.

The multi-page waiver document is in two parts. The first part is required of all attendees to the Games. Part 2 Athlete Medical Information and Consent form is for the athletes only. It is important for our medical team to have medical histories in case of illness or injury. The flu and tetanus immunizations are **NOT** required. It is helpful for the medical team to know if they have had them in case of illness.

I hope this answers some of your questions.

Best,

Dear

please find attached the excel you asked for. I hope i filled it out properly.

Do I understand correctly, tha the registration system will stay open after September 30??

Cause I probably can't upload all members of the delagtion until the deadline.

It would be important for me to know, since it is Friday and I can't reach everybody on weekends, and I have registered only myself and the City representative so far.

Thanks for your kind response in advance and thank you for all your assitance and patience and everything 😊

Kind regards and warm greetings from Szombathely,

Dear Participating City Delegation Liaison,

We are getting closer to the big event! We are very much looking forward to hosting all of you in Lake Placid in January and getting to know you!

We would like to begin assigning hotel rooms in advance of the finalization of registration process. We want to get VIP package purchase information out Heads of Delegations and City Representatives as soon as possible, but we need to assign rooms first. We understand some of you have encountered delays in being able to register so far.

So, in order to speed this process along, I have attached a blank spreadsheet which needs to be filled out with basic information for each member of your delegation that will attend the Games in January, so that we can begin room assignments. Please return to me by October 1. Very important!!

Thank you very much and I look forward to meeting you all!

As we begin assigning rooms, it would be most helpful for you to provide a rooming list for the athletes. We will be placing most athletes either 4 per room or 3 per room for hockey (because of the large amount of equipment hockey players bring with them). We will do our best to accommodate the list, depending on room configuration. Obviously we will separate by gender.

Getting them to me sooner than later will help ensure the requests are able to be accommodated. Coaches of the same gender will be expected to share a room with 2 beds. Heads of Delegation and City Representatives will be placed in private rooms.

Thank you very much for your attention to this detail as soon as possible.

Dear ,

thank you for your e-mail.

Contact details for the delegation of Szombathely, Hungary:

Head of Delegation: Mr. Attila **Havasi**, email: havasi.attila@szombathely.hu and polgar.livia@szombathely.hu

City representative: Mr. Ferenc **Lendvai**, email: lendvai.ferenc@szombathely.hu and polgar.livia@szombathely.hu

I would kindly like to ask you to send all relevant information concerning HoDs and VIPs **to me** if possible. First because our HoD doesn't speak English, and it is always me who deals with all the things, secondly the City representative's and the other VIPs (three VIPs besides the CR) things are arranged by myself as well.

Thank you in advance and kindest regards from Szombathely,

Greetings all,

As we grind away at all the details for our upcoming International Children's Winter Games in Lake Placid, we need to contact some of the people in your delegation individually. So, would you please send the email addresses for your Head of Delegation and your City Representative.

I will be sending information to them about booking VIP packages for guests in their own rooms and also information about how any other attendees to the games can book VIP packages at the Crowne Plaza Resort and Golf Club.

The sooner I receive these addresses, the sooner people can book packages for their guests.
