Hello Livia,

We are looking forward to meeting you and your delegation!

Thank you so much for your rooming lists. I am working with Sue Cameron and the hotels to assign the delegation members and athletes to their hotel rooms.

There is one small change that we'd like to work with you on. Because ice hockey athletes have so much equipment, we are placing only 3 athletes in one hotel room. In the room sharing list, I see that four boys are together in three of the rooms. If you could let me know which 3 boys to pull out of those lists and room together that would be helpful.

In other words, we would have five rooms for the boy's ice hockey team instead of four - 3 boys and their equipment in each room. I'm thinking that because you know the boys, it would be best for you to choose which of the three boys should occupy that 5th room. If it doesn't matter, let me know that and I will make the change.

I hope that this makes sense and I look forward to hearing back from you. All of the other room sharing information works fine.

Thank you very much,

Yeah, you will have fun practising it 😊

I will try to explain it somehow 😊

So let's separate the word in three parts:

SZOM is like: so+m

BAT is like: but from a Jamaican 😊😊

HELY is like: hey but 'e' is pronounced like in the word men for example.

So if you say SOMBUT-HEY would sound quite recognisable 😊😊😊

Dear

I have uploaded all members of the delegation of Szombathely in the registration database (except VIPs).

I have to inform you that some passports are still under progress and I will have to replace the currently uploaded IDs to the valid passports as soon as they arrive.

Furthermore, Szombathely would like to have 3 VIPs beside the city representative, sharing room of course (to be detailed later).

I was wondering if you received my e-mail with the delegation list yesterday, I would be grateful if you sent a 👍 if you did.

Thank you in advance and I am looking forward to your kind response.

Kind regards,

I created your delegation but made a mistake creating it, so I'll delete it and re-enter. You will have received two invitations to register. Use the **SECOND** one. The first link won't work after I delete my first entry.

Dearest!

sorry for not replying any sooner, December is playing hard as for duties ☺

So.

First of all, the delegation of Szombathely doesn't require any transportation to Lake Placid. We will have bus transfer from New York City on 6th December, **we arrive in Lake Placid at the Golden Arrow Resort at about 4 pm on the 6th January.**

The same applies to our departure, we will have our organised transfer to New York City on 11th January.

As for our delegation members, all remained the same, no changes.

Please confirm my reply in an e-mail.

Can't wait meeting all of you.

Wishing you nice days ☺

Please this is extremely important!

I AM NOTICING INCOMPLETE INFORMATION ABOUT TRANSPORTATION NEEDS. IF YOUR DELEGATION IS ARRIVING AT PLATTSBURGH INTERNATIONAL AIRPORT:

Please check each individual's information in the registration system to make sure it indicates if they are in need of transportation, the flight information, etc. Regardless if you have communicated with me about your plans, this information must be in the registration system. It is how we determine the amount of transportation we need to provide.

If you are spending the night on Saturday, Jan. 5 in Plattsburgh, this information also needs to be entered for EACH INDIVIDUAL, including at what hotel you will be staying.

Some delegations show part of delegation but don't show everyone arriving in Plattsburgh. Please double check and make any necessary additions immediately.

Thank you
